

07 to 09 SEPTEMBER 2023

1. EUROPEAN CONFERENCE MULTIFAMILY-THERAPY

FOR EVERYBODY INTERESTED IN MFA/MFT IN THE FIELDS
OF PSYCHOLOGY AND PSYCHIATRY, MEDICINE, EDUCATION,
SPECIAL EDUCATION AND SOCIAL WORK

LOOKING THROUGH THE KALEIDOSCOPE: A EUROPEAN MOSAIC

* With the title of our planned annual conference, we associate a vision and description of current developments. We would also like to focus on boarder crossing possibilities and strengthen European interaction.

Multifamily-work has positively grown pretty fast over the past decades in many countries within and outside of Europe. The conference aims to network existing MFT-offers in different European countries and to encourages professional and personal exchange.
